Thanks Char – do you need anything further from me to initiate the procurement? We will be obtaining the Private Party authorization for installation of 2 poles on private property. I need to reconnect with Flock to confirm it all.

Morning Char – in reviewing my email, I don't see the project code has been generated yet. Do you want me to reach out to Loni?

Thanks,
Jenn

Hi Jenn,

The Flock contract is ready for entry. If I remember correctly this is being purchased with grant funding. Do you have a project string for this contract?

Thank you!
